Dear Patrick,

We feel words are seldom adequate for generous donations towards the lives of children with Cornelia de Lange syndrome — but some may include hope, happiness and support. You can be confident that your donation strengthens the efforts of the CdLS Foundation, the only organization in the country solely dedicated to those impacted by the condition.

Your gift will be used to continue to educate medical and educational professionals about CdLS, keep our support lines open for families and provide current information that benefits everyone affected by this diagnosis. The opportunities of *Reaching Out, Providing Help and Giving Hope* are endless, but the always-certain factor is **you**.

Your commitment to making a difference in the lives of those affected by CdLS is valued highly by the Foundation, our volunteers and, most importantly, by those who benefit from our many support services.

Sincerely,

Bonnie Royster
Executive Director
